How You Can Help

# What is ACCET?

## Providing Support

- n The Australian church of Christ Evangelistic Trust, or ACCET provides financial support (grants) to congregations of the church of Christ within Australia.
- n The support can be used to:
  - n Help pay for evangelists,
  - n Help support the training of preachers,
  - n Help with programs like MSOBS and STAMP,
  - n Help fund other evangelistic needs.

# What is ACCET?

## Access from Australia

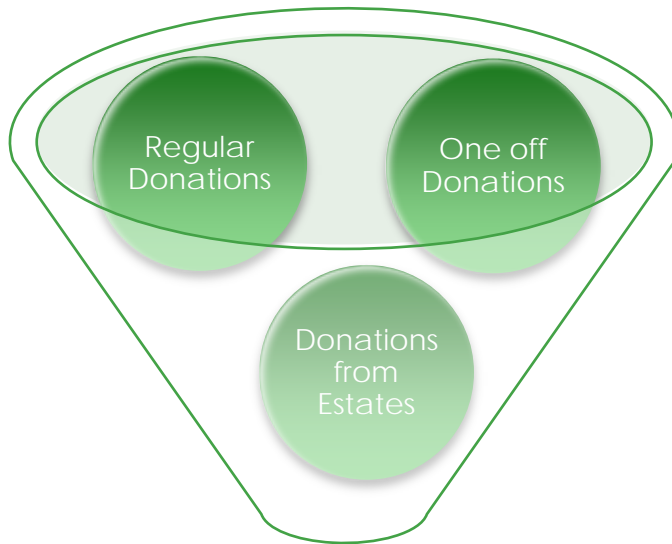

ACCET's **main focus** is to provide a continual source of money that can be **easily accessed by congregations in Australia** to help support their workers.

# What is ACCET?

## How ACCET Works

**ACCET Capital**  
Wisely Invested in  
Perpetuity

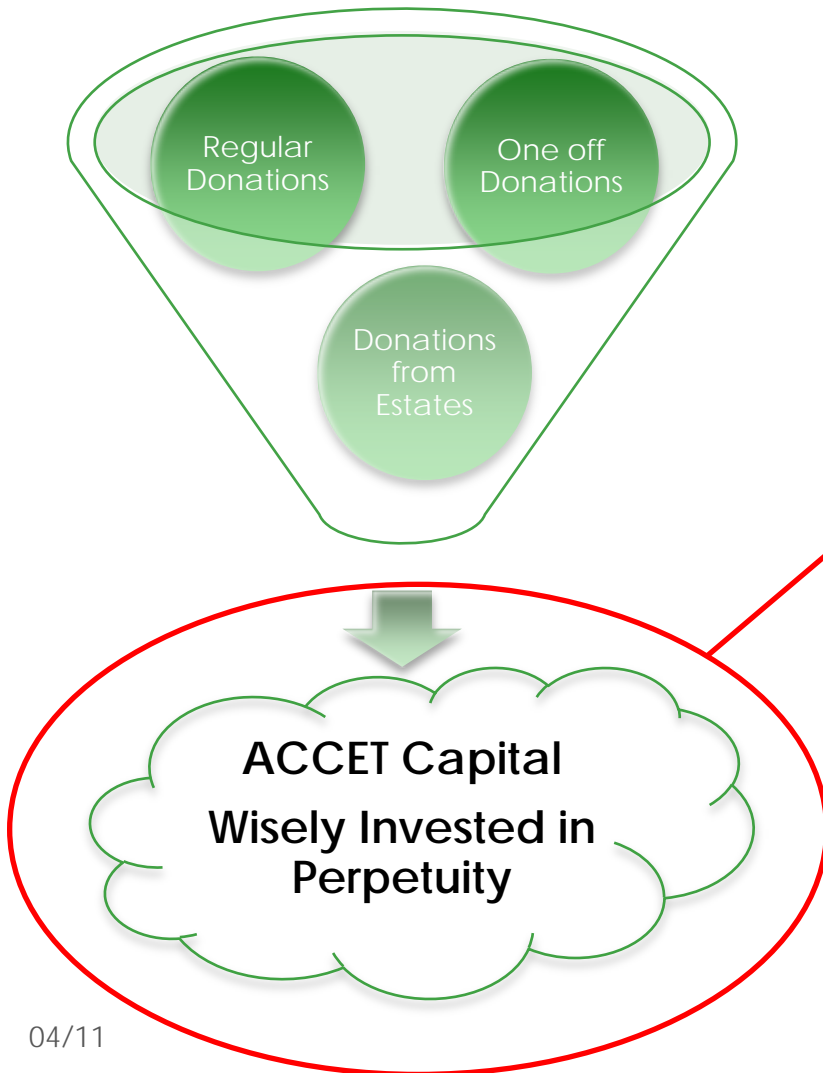

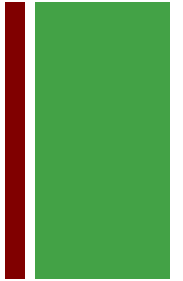

Only the **interest earnings** is harvested **each year** to provide grants to congregations.

Key Aspect of ACCET is that all donations keep on earning interest year after year. **Each gift is a gift that keeps on giving!**

# What is ACCET?

## How ACCET Works

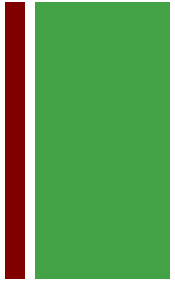

**The larger the Capital,  
the greater the interest earnings,  
*the greater the grants provided!***

# The Need for Donations

## So Far...

- n The ACCET capital is currently **\$330,000**.
- n This capital has been built entirely from cash donations.
- n ACCET was launched in May 2004 with an initial donation of just \$2.
- n **NO TAX** is paid on ACCET income as ACCET has been granted charity status by the Australian Taxation Office.

# The Need for Donations

## Regular Donations...

What if 1000  
Christians donated  
just **\$10 per month**?

That equates to just  
**\$2.31 per week!**

# The Need for Donations

## Regular Donations...

ACCET would then grow by **\$10,000 per month** or **\$120,000 per year!**

Remember this is money that stays in the ACCET capital pool, earning interest year after year!

# The Need for Donations

## Regular Donations...

By 2020 the ACCET capital would grow to at least **\$1.4 million**

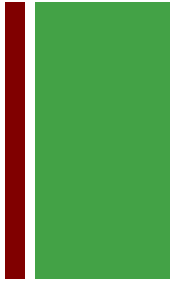

Generating grants of a minimum of \$100,000 each year – year after year!

# The Need for Donations

## Changing Your Will...

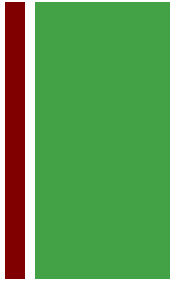

- n Want to give a gift that keeps on giving way beyond your life time?
- n **Then consider changing your will.** Many Christians already have done this. They have told ACCET that they have left a percentage of their estate to be added to the ACCET capital pool!

# The Need for Donations

## One Off Donation...

Most of the ACCET capital that is currently held has been built up by generous people providing substantial one-time donations.

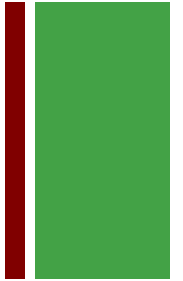

**Why not consider this too?**

Paul says about giving in 2 Cor 9:12 ***"This service that you perform is not only supplying the needs of God's people but is also overflowing in many expressions of thanks to God."***
